

Takanobu Amano

天野 孝伸 (あまの たかのぶ)

Associate Professor
Department of Earth and Planetary Science,
Graduate School of Science, The University of Tokyo

PERSONAL DETAILS

| | |
|-------------|---|
| Affiliation | Department of Earth and Planetary Science, Graduate School of Science, The University of Tokyo |
| Address | Room 803, Faculty of Science Bldg. 1, 7-3-1 Hongo, Bunkyo-ku, Tokyo, 113-0033, JAPAN. |
| E-mail | amano@eps.s.u-tokyo.ac.jp |
| Phone | +81-3-5841-1921 |
| Fax | +81-3-5841-8321 |
| Website | https://amanotk.github.io/ |

RESEARCH INTERESTS

I am interested in theoretical aspects of space and astrophysical plasma phenomena. My major research interests include physics of collisionless shocks (both non-relativistic and relativistic regimes), high-energy particle acceleration and transport, linear and nonlinear theory for kinetic plasma instabilities, and numerical techniques for advanced kinetic/fluid plasma simulations.

APPOINTMENTS

| | |
|-------------------------------|--|
| Aug. 1, 2016 - present | Associate Professor Department of Earth and Planetary Science, School of Science, The University of Tokyo |
| Mar. 16, 2012 - Jul. 31, 2016 | Assistant Professor Department of Earth and Planetary Science, School of Science, The University of Tokyo |
| Apr. 1, 2009 - Mar. 15, 2012 | Designated Assistant Professor Division of Particle and Astrophysical Science, Nagoya University |
| Apr. 1, 2008 - Mar. 31, 2009 | Postdoctoral Researcher Solar-Terrestrial Environment Laboratory, Nagoya University |

EDUCATION

| | |
|------------------------------|---|
| Apr. 1, 2005 - Mar. 31, 2008 | Ph.D degree Department of Earth and Planetary Science, Graduate School of Science, The University of Tokyo |
| Apr. 1, 2003 - Mar. 31, 2005 | MS degree Department of Earth and Planetary Science, Graduate School of Science, The University of Tokyo |
| Apr. 1, 1999 - Mar. 31, 2003 | BS degree Department of Earth and Planetary Physics, School of Science, The University of Tokyo |

AWARDS

- 2018 Young Researcher Award (under 40 yrs. old) from Association of Asia Pacific Physical Societies, Division of Plasma Physics (AAPPS-DPP)
- 2015 Obayashi Early Career Scientist Award from Society of Geomagnetism and Earth, Planetary and Space Sciences (SGEPSS)
- 2005 JSPS (Japan Society for the Promotion of Science) Research Fellowship for Young Scientists (DC1)
