

Takanobu Amano

天野 孝伸 (あまの たかのぶ)

Associate Professor
Department of Earth and Planetary Science,
Graduate School of Science, The University of Tokyo

PERSONAL DETAILS

Affiliation	Department of Earth and Planetary Science, Graduate School of Science, The University of Tokyo
Address	Room 803, Faculty of Science Bldg. 1, 7-3-1 Hongo, Bunkyo-ku, Tokyo, 113-0033, JAPAN.
E-mail	amano@eps.s.u-tokyo.ac.jp
Phone	+81-3-5841-1921
Fax	+81-3-5841-8321
Website	https://amanotk.github.io/

RESEARCH INTERESTS

Takanobu Amano is interested in theoretical aspects of space and astrophysical plasma phenomena. His major research interests include physics of collisionless shocks (both non-relativistic and relativistic regimes), high-energy particle acceleration and transport, linear and nonlinear theory for kinetic plasma instabilities, and numerical techniques for advanced kinetic/fluid plasma simulations.

APPOINTMENTS

Aug. 1, 2016 - present	Associate Professor Department of Earth and Planetary Science, School of Science, The University of Tokyo
Mar. 16, 2012 - Jul. 31, 2016	Assistant Professor Department of Earth and Planetary Science, School of Science, The University of Tokyo
Apr. 1, 2009 - Mar. 15, 2012	Designated Assistant Professor Division of Particle and Astrophysical Science, Nagoya University
Apr. 1, 2008 - Mar. 31, 2009	Postdoctoral Researcher Solar-Terrestrial Environment Laboratory, Nagoya University

EDUCATION

Apr. 1, 2005 - Mar. 31, 2008	Ph.D degree Department of Earth and Planetary Science, Graduate School of Science, The University of Tokyo
Apr. 1, 2003 - Mar. 31, 2005	MS degree Department of Earth and Planetary Science, Graduate School of Science, The University of Tokyo
Apr. 1, 1999 - Mar. 31, 2003	BS degree Department of Earth and Planetary Physics, School of Science, The University of Tokyo

AWARDS

- 2022 Tanakadate Award from Society of Geomagnetism and Earth, Planetary and Space Sciences (SGEPSS)
- 2018 Young Researcher Award (under 40 yrs. old) from Association of Asia Pacific Physical Societies, Division of Plasma Physics (AAPPS-DPP)
- 2015 Obayashi Early Career Scientist Award from Society of Geomagnetism and Earth, Planetary and Space Sciences (SGEPSS)
- 2005 JSPS (Japan Society for the Promotion of Science) Research Fellowship for Young Scientists (DC1)

PUBLICATIONS

See also, [Google Scholar](#), or [Publons](#) profile pages for the up-to-date list of publications and citation statistics.
